<p>1) These figures are reflective of the "PJM System Mix". The PJM System Mix is the collective generation produced within the PJM Interconnection, which is the regional transmission organization that maintains safety, reliability and security of the transmission system and operates an efficient and effective wholesale electric market in 13 states and the District of Columbia. All accounts served by Town Square Energy East in the State of Maryland are within the PJM footprint. For more information about this Environmental Disclosure Statement you may contact Town Square Energy East, LLC at <a href="mailto:customer@townsquareenergy.com">customer@townsquareenergy.com</a> or at 1-877-430-0093.</p>
